Dear Parents,

The theme for this half term is "**Going for goals**". Over this half-term we will be exploring how children can motivate themselves in their learning and across the school. As a part of the theme they will be asked to set their own goals, think about how they learn best and consider how they may make wise choices.

We have produced booklets for each theme for you to see what your child is doing in school.

The booklet also has activities and games to do at home. The activities may involve you making things, these do not have to be brought into school; the ideas are just there for you and your child to enjoy if you so wish. However if your child wants to bring in the work they have done then we would be very happy for them to share it.

We hope that you enjoy the doing the activities and games

Miss Churchward, Miss Scully, Mrs Thomas
