MOORDOWN  
BOURNEMOUTH  
BH9 2TG

Dear Parents,

Over the past year the school has started to use a programme aimed at developing children's social and emotional skills- the SEAL Project (Social and Emotional Aspects of Learning).

As a staff we felt that it is working well and we want to share its ideas with you.

Each half term the whole school will be looking at a particular theme. The theme will start with an assembly and be followed up in class.

The theme for this half term is "**New Beginnings**". During the term the children will be exploring how to create a learning environment that helps the children learn together in a happy, busy and safe way. They will also learn about the feelings they have when they are happy, sad, scared and excited, and how to manage these feelings in the classroom.

We have produced booklets for each theme for you to see what your child is doing in school.

The booklet also has activities and games to do at home. The activities may involve you making things, these do not have to be brought into school; the ideas are just there for you and your child to enjoy if you so wish. However if your child wants to bring in the work they have done then we would be very happy for them to share it.

We hope that you enjoy the doing the activities and games

Miss Churchward, Miss Scully, Mrs Thomas
